

Industrial Equipment

– Industrial Strength Cleaning Solutions

- Sweepers
- Scrubbers
- Sweeper–Scrubbers
- Wet/Dry Tank Vacuums

Terra® 28B

Walk-Behind Sweeper

- 28 inch sweep path
- Maintenance free battery standard
- Quiet operation at 59 dB A
- Standard onboard battery charger
- Tools-free removable brooms and hopper
- Rugged machine design includes corrosion-proof polyethylene hopper
- Excellent cleaning performance and edge cleaning for both hard floors and carpets
- Active dust control system with manual filter shaker

SW4000™

Rider Sweepers

- 49 inch sweep path, battery operated
- One-Touch™ sweeping controls
- Optional DustGuard™ side broom dust suppression system
- MaxAccess™ – industry-best access to critical components
- Liberator™ multi-frequency filter shaker
- High dump debris hopper
- Front-wheel powered and steered drive wheel provides superior maneuverability
- Standard dual side brooms
- Safe, Clear-View™ design
- Dual side brooms with sturdy protection standard

SW900™

Walk-Behind Sweepers

- 41 inch sweep path
- Dual side brooms
- Direct throw sweeper design
- Superior dust control
- Battery operated with up to 3 hours of run-time on a single charge
- Standard onboard battery charger
- Tools-free removable brooms and hopper
- Excellent cleaning performance and edge cleaning

Terra® 4300B

Rider Sweepers

- 46 inch sweep path, battery operated
- Simple, ergonomic and intuitive operator interface
- 20% gradeability while sweeping
- Rugged construction for carpet or hard floor applications
- Safe, Clear-View™ design
- Foot operated litter flap system for capturing larger debris
- Overthrow sweeping system with sturdy roll out metal hopper

SW5500™

Rider Sweepers

- 46 inch single side broom sweeping path, or 60 inch dual side brooms sweeping path
- Efficient emissions free battery configuration
- Highly maneuverable
- Innovative main broom wear compensating sweep system
- One-Touch™ sweeping controls
- Optional DustGuard™ side broom dust suppression system
- MaxAccess™ – industry-best access to critical components
- Safe, Clear-View™ design
- AC brushless drive system
- Electric filter shaker
- High dump debris hopper
- Overthrow sweeping design
- Available with TrackClean™ Centralized Fleet Management system

SW8000™

Rider Sweepers

- 65 inch single side broom sweeping path, or 77 inch dual side brooms sweeping path
- Kubota® engine provides quiet and smooth operation and superior reliability
- Optional DustGuard™ side broom dust suppression system
- MaxAccess™ – industry-best access to critical components
- Safe, Clear-View™ design
- Structural roto-mold hopper with integrated bumper
- One-Touch™ sweeping
- Foot pedal controls automated sweeping start/stop function
- Power steering
- Impact absorbing body structure
- Interlocking service covers
- Hopper safety arm engaged from operator's compartment
- Large Comfort Ride shock absorbing tires
- Independent ETL safety test and label
- Standard Ultra-Web® dust filter for near H.E.P.A. dust control
- Optional H.E.P.A filter for 99.97% filtration efficiency
- Available with TrackClean™ Centralized Fleet Management system

Proterra™

Rider Sweepers

- 51 inch single side broom sweeping path, or 64 inch dual side brooms sweeping path
- Optional DustGuard™ side broom dust suppression system
- MaxAccess™
- Safe, Clear-View™ design
- Analog-logic™ Sweep System Activation
- Power Steering
- Impact Absorbing, Rust-proof Body Structure
- Hopper Safety Arm Engaged from Operator's Compartment
- Large Comfort Ride Shock Absorbing Pneumatic Tires
- Independent ETL Safety Test and Label
- Liberator™ Variable Frequency Filter Shaker
- Available with TrackClean™ Centralized Fleet Management system

Walk-Behind and Stand-On Scrubbers

SC351™

Battery Operated Micro Scrubber

- Patented rotating deck with integrated squeegee allows for forward and backward scrubbing
- Simple and intuitive controls
- Four operating modes
- Compact design and foldable handle for easy storage
- Best in class 64 dB A sound level
- 14.5 inch scrubbing width
- "Lift-out" solution and recovery tanks
- 2.5 gallon solution tank
- 3 gallon recovery tank
- Available with TrackClean™ Centralized Fleet Management system

SC1500™ Disc

Stand-On Scrubbers

- 20 inch disc scrub path
- Extremely maneuverable and compact
- Productivity of a rider scrubber and cost-efficiency of a walk-behind scrubber
- EcoFlex™ System standard
- Two scrub pressures up to 75 lb
- Quiet mode for daytime cleaning
- 12 gallon solution tank
- 12.5 gallon recovery tank
- Debris catch cage standard
- Onboard charger standard
- Available with TrackClean™ Centralized Fleet Management system

SC500™ Disc

Walk-Behind Scrubbers

- 20 inch disc scrub path
- Two key system with separate controls for the superuser (yellow key) and operator (gray key)
- Multifunction display with One-Touch™ control panel
- EcoFlex™ system standard
- Two scrub pressures up to 66 lb (33 kg)
- 12 gallon solution and recovery tanks
- Super quiet for daytime operation
- Traction drive
- Onboard charger
- Available with TrackClean™ Centralized Fleet Management system

SC750™ & SC800™

Walk-Behind Scrubbers

- Available in 26, 28 and 34 inch disc and 28 inch cylindrical scrub paths
- SC800 available in ST models
- Smart Solutions™ available on all models
- EcoFlex™ System available on SC800 models
- Green cleaning and high productivity technology
- SC750 with 21 gallon (80 L) solution and recovery tanks
- SC800 with 25 gallon (95 L) solution and recovery tanks
- Self adjusting skirt on disc machines
- Heavy duty scrubbing performance
- Available with TrackClean™ Centralized Fleet Management system

Adfinity™ X20C

Walk-Behind Scrubbers

- 20 inch cylindrical scrub path
- 14.5 gallon solution and recovery tanks
- Smart Solutions™ Flow Rate
- EcoFlex™ Onboard Detergent Dispensing System standard
- Onboard Battery Charger
- Tools-free removal of squeegee and squeegee blades
- Tools-free brush removal
- Available with TrackClean™ Centralized Fleet Management system

SC901

Walk-Behind Scrubbers

- Available in 28 and 34 inch disc or 32 inch cylindrical scrub paths
- 30 gallon solution tank
- 32 gallon recovery tank
- Optional EcoFlex™ System
- Simple and easy to use paddle interface
- Minimal electronics for increased reliability and lower total cost of ownership
- Control board-free design eliminates costly repairs
- Mechanical scrub and vacuum levers
- Regulated cruise control increases productivity and safety
- Simplified user interface
- Available with TrackClean™ Centralized Fleet Management system

Advenger®

Rider Scrubbers

- Tools-free interchangeable scrubs decks – 28 inch (71 cm) cylindrical
- EcoFlex™ System reduces environmental impact and detergent costs
- Standard low-flow scrubbing mode
- 28 gallon (106 L) solution tank and 29 gallon (110 L) recovery tank with Total Clean® technology
- One-Touch™ scrubbing with calibrated brush pressure and solution flow
- Available with TrackClean™ Centralized Fleet Management system

SC6500™

Rider Scrubbers

- Available in 40, 45 or 48 inch disc or cylindrical scrub paths
- Optional EcoFlex™ System
- Tightest aisle turn in its class
- Maintenance-free AC brushless propulsion drive
- 70 gallon solution and recovery tank
- Tubular steel construction
- Clear-View™ design and adjustable tilt steering column
- Powerful offset scrub deck provides edge and high productivity cleaning in a single pass
- Large One-Touch™ controls make operation easy and accessible
- Available with TrackClean™ Centralized Fleet Management system

SC5000

Rider Scrubbers

- Available in 32 and 36 inch cylindrical, and 34 inch disc scrub paths
- Optional EcoFlex™ System reduces environmental impact and detergent costs
- Safe, Clear-View™ design
- Excellent maneuverability and compact size to get to where the dirt is
- Best in class steering wheel based system controls
- SmartFlow™ reduces detergent costs and extends time between dump-and-refill while using up to 50% less water
- Sealed brush drive system and idlers for cylindrical decks for significantly increased reliability
- SmartKey™ technology and integral impact detection
- Off-set deck allows edge cleaning without added complexity or cost
- Available with TrackClean™ Centralized Fleet Management system

SC8000™

Rider Scrubbers

- Industrial cylindrical scrubber (48 inch), with side scrub (60 inch), dual side sweep (62 inch)
- Kubota® engine provides quiet and smooth operation, superior reliability with enclosed gear driven valve train, and reduced maintenance costs
- Optional EcoFlex™ System
- Tools-free removable squeegee, brushes and blades
- One-touch™ functionality
- Large 100 gallon solution and recovery tanks
- Heavy-duty steel front bumper
- Large poly debris hopper
- Adjustable seat and tilt steering wheel
- Safe, Clear-View™ design
- MaxAccess to engine and hydraulics
- Tip out / lift off recovery tank

SC6000™

Rider Scrubbers

- Available in 36 inch cylindrical or 34 and 40 inch disc scrub paths
- 50 gallon solution and recovery tank
- SmartFlow™ reduces detergent costs and extends time between dump-and-refill while using up to 50% less water
- SmartKey™ technology and integral impact detection
- Off-set deck allows edge cleaning without added complexity or cost
- Fully protected scrub deck
- Tools-free design
- Optional EcoFlex™ System
- Optional DustGuard™ side broom dust suppression system
- Available with TrackClean™ Centralized Fleet Management system

Rider Sweeper-Scrubbers

7765™

Rider Sweeper-Scrubbers

- 54 inch scrub path scrubs up to 70,000 sq ft per hour
- Tilt-out recovery tank makes clean-up fast and easy
- 600 lb of downward scrub brush pressure cleans even the most deeply embedded grime
- Patented Accu-Track™ squeegee system provides a dry floor even on the tightest turns
- Stainless steel solution and recovery tanks are functional in any environment
- Designed for severe environments

CS7010™

Rider Sweeper-Scrubbers

- 61 inch sweep path
- 48 inch scrub path w/pivoting deck
- High efficiency electric drive systems
- High-capacity 75 gallon solution and recovery tanks
- Hybrid (LP, or diesel) or ePower (battery) or fuel cell configurations
- High-capacity 7 ft³ (198 L) front dry sweeper debris hopper with high-lift system
- SmartFlow™ reduces detergent costs and extends time between dump-and-refill while using up to 50% less water
- Automatic reduced speed in turns
- High-capacity Donaldson PowerCore® nanofiber synthetic filter with variable-frequency shaker
- Offset deck for integrated edge scrubbing
- Standard dual side brooms
- Ergonomic operator compartment
- Optional EcoFlex™ System green cleaning technology
- Optional patented DustGuard™ airborne dust suppression technology
- Available with TrackClean™ Centralized Fleet Management system

ecoflex™ system

VL500™

Wet/Dry Tank Vacuums

- Available in 9, 14 and 19 gallon tank sizes
- Unique filter system protects the motor from water, while ensuring complete wet and dry filtration
- Front mount squeegee standard on VL500-75 optional on VL500-55
- Patent pending ERGO "tip n pour" design is available on VL500-75 and standard "tip n pour" is available on the VL500-55
- Powerful 1,100 Watt motor, 101 CFM
- 50 foot power cord
- Features a variety of standard and optional accessories, including: hose, wand, squeegee floor tool, brush floor tool, crevice tool, dusting tool and front-mounted squeegee

Optional Accessories

Comfort and Productivity Optional Accessories

- Headlight kit
- Turn signal kit
- Hindsight camera
- Backup alarm
- Foam filled or solid tires to prevent flats
- Suspension seat
- Litter vac
- Off aisle vacuum wand
- Extended scrub options (recycling systems)
- Cab with AC and heater
- Spray and vacuum tool
- Pre-sweep options
- Battery exchange / roll-out systems
- EcoFlex™ System
- DustGuard™

Machine and Operator Protection Optional Accessories

- Safety beacon and blue safety warning spotlight
- Overhead guard
- Seatbelt
- Machine protection metal bumper and corner guard systems
- Hopper thermal sensor
- Fire extinguisher
- Side broom guards
- Engine air filter clog indicator

Wear Parts

- Main broom options
- Side broom options
- Dust filters
- Brushes
- Squeegees
- Concrete polishing options
- Brush options for any application
- Squeegee options for any application

Quality

A quality approach to cleaning is the commitment we make to every one of our customers. Along with each machine comes pride, craftsmanship, innovative technology, professional expertise and an international network of parts, maintenance and service support professionals.

Reducing the Cost to Clean

Every aspect of our business revolves around creating cleaning solutions that generate superior cleaning results, increase productivity and reduce the cost of ownership. The result is superior cleaning products that drive down the cost of cleaning. The pride we take in production and service will become your pride of ownership when you buy Advance equipment.

Sustainability

Nilfisk, Inc.'s fundamental attitude to the working environment and pollution is in accordance with the first principle of the United Nations conference declaration on Environment and Development (Rio, 1992): "People are entitled to a healthy and productive life in harmony with nature."

Parts

Keeping your equipment working effectively is essential for superior cleaning. Advance provides parts and components through our network of professional industrial cleaning dealers to help keep your Advance products working at peak performance. Our parts are designed and built for our machines so they can be counted on to maintain your machines. They are value priced and quality built. By choosing Nilfisk Parts, you can be certain you're getting the quality part you need for your machine.

Advance products are manufactured by Nilfisk, Inc., one of the world's largest designers and manufacturers of high quality commercial and industrial floor maintenance equipment.
